**LA S29 6 Day Minnesota Black Bear Hunt for One Hunter**  
***Tim Kresel - Minnesota Big Bear Specialist***

This is a Giant Minnesota Black Bear hunt with over the counter license / no drawing necessary! North America's best big bear opportunity! Hunt Giant Bears with Tim Kresel who personally harvested more big bears than any other hunter in North America, DIY/Solo! What's his secret? Tim has a highly guarded secret system to beat big, smart bears which he has developed over a 30 year obsession. Numerous guides and hunters claim that it is not possible for a hunter to harvest a big bear every year. Tim has proven them all wrong year after year by harvesting 15 big bears between 400 and nearly 700 pounds plus many more between 300 and 400 pounds. Tim also has videotaped and or witnessed hundreds more. All in the state of Minnesota! Now for the first time Tim is offering a limited number of hunts to hardcore big bear hunters. He is NOT a 150 pound bear factory. He is a BIG BEAR SPECIALIST! This donation is for a black bear hunt in northern Minnesota for one hunter and one non-hunter. Tim Kresel has been very successful at guiding his clients to some GIANT bears! Most are black phase but he typically gets 10% - 20% chocolate phase. Guns, bows, or crossbows can be used on this hunt. The hunt is six days. Most hunters will get an opportunity to harvest a bear in 1 to 3 hunting days on an average year. You will hunt multiple Big Bear setups with multiple Big Bear activity. Permitted license hunts are also available with generally only a two year wait to draw. Winning bidders will be advised which areas you will hunt or which permit zones to apply in. The deadline for Minnesota bear applications is **May 1, 2024**. The Minnesota black bear season runs from September 1st thru mid-Oct 2025, similar each year. This hunt can be taken during those dates or in a similar time frame in **2025 or beyond**. NO EXPIRATION DATE! This hunt can be upgraded to take one bear in the permit areas and one bear in the no-quota zone, depending on availability. Lodging will be in local motels or campgrounds at the hunter's expense. Arrival and departure point may vary depending on natural foods. **This Donation has a Reserve.**
