LA F11 3 Day Mexico Duck, Dove, and Snook Fishing for Two People
Jim Riley • Riley's Outdoor Consulting

Los Hermanos Outfitting guides our duck hunting clients in the State of Nayarit, Mexico. We are the only outfitters hosting American hunters for ducks in the entire State of Nayarit! We have exclusive access to thousands of acres of the finest waterfowl habitat in North America. Blue, and green-winged teal, cinnamon teal, pintails, gadwalls, widgeons, two species of tree ducks, and a variety of diver duck species. We find that USA hunters really like to hunt white-winged doves. Unlike the Northern States of Mexico where the white-winged doves migrate South in great numbers, our doves stay here and many of the migrators join them from November to February. We find that morning hunts are the most productive. On average hunters will shoot eight to fifteen boxes on a morning hunt and in the afternoon five to ten boxes. Some of our guests really enjoy fishing the expansive mangrove marshes. We target several species including snook, corvina, mangrove snapper, and a multitude of other species. Includes all meals, lodging, airport pickup and return, Soda, bottled water, beer, and margaritas, guide service and bilingual hosts. Not included duck license and dove license \$75 each and shotgun shells \$16 per box.

We specialize in providing our hunters with large mature trophy whitetails. Bucks up to 200" are common and we have harvested true giants topping 330" with opportunities to harvest even larger! At Crow River Whitetails your hunt will truly be your hunt! You and / or your group will have the entire preserve to yourselves! You will not have a guide unless you request one. Enjoy hunting from a stand, ground blind, or spot and stalk, all with the weapon of your choice. Our preserve is very thick and wild and will provide you with a challenging hunt. The land is undisturbed by people except during the hunt season. If you should happen to harvest your trophy early, you can expect to give a try at some great local fishing! We're located only minutes away from world class fisheries like Green and Clearwater lakes, and a couple hours from Mille Lacs! Our goal is to provide you with memories, friendships, and experiences to last a lifetime. If you share our passion for trophy whitetails and the outdoors, then this is the hunt destination for you.

Numerous guides and hunters claim that it is not possible for a hunter to harvest a big bear every year. Tim has proven them all wrong year after year personally harvesting 15 big bears 400 to nearly 700 pounds plus many more between 300 and 400 pounds. Tim also has videotaped and or witnessed hundreds more all here in Minnesota! Now for the first time Tim is offering a limited number of hunts to hardcore big bear hunters. I am not a 150 pound bear factory, I am a big bear specialist!
